## About AECC University College

Based in Bournemouth, AECC University College is a specialist Higher Education Institution. Our distinctive sense of community is strengthened by our multidisciplinary culture; delivering undergraduate degrees in a number of health science specialisms including Chiropractic, Radiography, Psychology and Sports and Exercise Science and rehabilitation.

Below are some useful resources for prospective students including links to information on our courses and careers, and case studies from some of our students and experts working in these fields.

## School of Chiropractic

- **Undergraduate Master of Chiropractic course:**
