Explore your subject

Perhaps you've already chosen a subject that's right for you and now you want to prepare for study at the next level or maybe you are yet to find your perfect fit. Either way, we can help you explore different subject areas in more depth. Hear from BU academics, current students and former students, take part in our interactive exercises and make the most of the opportunity to have your work reviewed by our staff and students.

Mock Interviews (Post-16 Learners)

For many people interviews can be a scary prospect, which is why it can be really helpful to have a practice before you experience the real thing. Whether you've never had an interview before or you'd just like to brush up on your technique - we're here to help.

Practice your interview skills - book an online mock interview with a member of our friendly team.
